

NEWS FROM THE ARK

thank
YOU

The winter is always such a difficult time here at The Ark; unfortunately donations decrease as the temperature does. As most followers are aware we are facing additional testing times this year and I want to say a huge thank you from the very bottom of my heart. Your support surrounding recent matters has given us hope and strength. We have rehomed nearly 400 animals so far this year and hope and pray that we can continue to do so for years to come.

THE ARK CHRISTMAS WISH

Every donation made makes such life changing differences to the animals in our care. This winter our Christmas wish is for each supporter of The Ark to donate £1 each. Our Facebook page alone has over 7000 followers so just 50p each would mean a fantastic amount of funds raised in this financially stretching season. If you would like to make our Christmas wish come true payment can be made via PayPal <https://arkanimalrescue.co.uk/help-us/donations/>

ARK CALENDAR 2019

The Arks 2019 calendars are on sale now priced at £5 each. All money raised will go towards all winter costs here at The Ark. Thank you so much to all the sponsors who made this possible. Calendars will be on sale from The Ark and Eastfield Vets, North Thorsby & Cleethorpes. We will post if needed but at an additional cost to cover the postage and packaging.

All our kennels and cat pens are full of animals awaiting their forever home. If you have space in your home and heart for a new addition, please do come along to The Ark or visit our website for full details
